ESPER AWARDS

OPEN CATEGORY

ESPER AWARDS

DEBUNKED

Mythbusters competition

About the competition:

- Inspired by the television series "mythbusters", this competition challenges teams to investigate a popular myth using the scientific method
- Each team must produce a video introducing the myth, documenting its hypothesis, experiments and results, and presenting an evidence-based conclusion explaining whether the myth is supported, disproved or remains inconclusive

Eligibility:

- Open to contestants from age 11 to 20
- Each team must have 3-10 members including the leader.
- Each team may submit only one entry.
- Each person may only participate in one team
- Valid languages are Sinhala and English.

Submission Guidelines:

- The video you make must be uploaded to Google Drive.
- The video link must be submitted to the submission form provided by us.
- The video's general access link must be set to **"Anyone with the link can view"** so the judging panel can get the full access of it.
- Footage of any experiments done in order to prove/disprove the myth must be included in the video
- The experiments must follow proper safety guidelines and standards
- The video is expected to be properly structured, as an example,
  - starting off with the myth/premise,
  - debunk process/experimenting
  - conclusion
- Deadline for submission: 11.30.2026

ESPER AWARDS

ZENITH

Best Short Film of the Year

Theme:

Five Minutes Back

Story:- After dealing with a relentless streak of pure chaos, bad luck, and awkward blunders, a person finally gets the ultimate tech upgrade: a button that sets time back by five minutes. They immediately use it to erase their biggest mistake—only to realize that rewriting the past creates an even crazier, completely hilarious chain reaction of untold consequences they never saw coming.

Eligibility:

- Open to contestants from age 11 to 20
- Each team must consist of 10–25 members including the leader
- Each team may submit only one entry.
- Each person may only participate in one team
- The submitted film must be original, created entirely by the team members.
- Valid languages are Sinhala and English.
